		Hakan Cosansu , Rolls Royce
16	17:10	Drone Guidance and Pilot Assistance in the Helicopter Cockpit on MUM-T Missions – Research
		Prof. Dr. Axel Schulte , Universität der Bundeswehr, Munich
17	17:30	Software-defined, scaleable, AI-based Mission System for Civilian and Military Helicopter Missions (MUM-T)
		Dr. ing. Fabian Schmitt , Fa. HAT.tec
18	17:50	Autonomy / AI Support
		Dr. Klausdieter Pahlke und Marc Höfinger , DLR
	18:30	End of 1st day, from 19:30 ceremony and reception in the helicopter museum

	Day 2: Thursday, June 27, 2024
	08:00 Arrival, Registration
	C Research and Development (2)
	International Partnerships in Helicopter Development – Industry Presentations
19	08:30 Airbus Helicopters, Will Sampson
20	08:50 „Team Ready“ for a successful Mission – Using Thales Helicopter Simulation Solutions. Meike Carls und Dominika Jóskowiak
21	09:10 Boeing: Rotorcraft Transformation – Addressing the Fight Today and in the Future Mark Ballew, Senior Director, Business Development Vertical Lift Programs
22	09:30 Integration of the new technology into Hungarian Military Force Development Program LT.Col. Endre Daróczy
23	09:50 Leonardo AW249 – The Next Generation Combat Helicopter: Unmatched Multi-Domain Capability and Advanced Technology, Unrivaled Survivability Giuseppe Segreto, Senior Test Pilot, Military Platforms Project Leader Ing. Luca Colombo
24	10:10 German-French Cooperation for Long-term European Sovereignty Francis Larribau, CEO Safran Helicopter Engines Germany GmbH
	10:30 Coffee break + Networking + Industry exhibition
	D Panels
	11:00 Flight Safety: Current Developments – Organization, Administration, Technology
25	Lehrsaal Bückeburg Col (GS) Wolfgang Schad , Luftfahrtamt Bw
26	Florian Kliner , DRF Luftrettung
27	Bastian Marx , ADAC Luftrettung, Safety Manager
28	Bernd Osswald , Airbus Helicopters Deutschland
	11:00 “Youth Panel”: Professions in Aviation
29	Hörsaal 9.11 Simon Kopmann , CEO CHS Commercial Helicopter Services GmbH Sulingen
30	Dr. Michael Mayrhofer , CEO RotorSky GmbH Hörsching, Austria
31	Col Peter Göhringer , Leiter Veränderungsmanagement, Kommando Hubschrauber
32	Frank Müller , Arbeitsdirektor, Airbus Helicopters Deutschland
	11:00 Achieving and Maintaining Flying Proficiency und Airmanship
33	Hörsaal 9.12 Plattform SPHAIR Col Beat Hedinger , CHE
34	Light Multipurpose Helicopter AW169 for initial Pilot Training and Continuous Training in Austria LtCol Ing. Mag. (FH) Michael Hendel
35	IFTD – Military Flight Training at a Civil ATO in Germany Dr. Arnd Helmetag , CAE
36	German Army Helicopter Command Oberstleutnant Rudolf Bührmann
	12:00 Refreshments + Networking + Industry exhibition
	E Panels
	13:00 Equipment Weapons
37	Lehrsaal Bückeburg Currently planned armament of the LKH, ALE (Air launched effects) LtCol Michael Longen , Amt für Heeresentwicklung
38	New Technologies and Innovations in Missile Weaponization Jens Wallrabe , Diehl Defence
39	LMS, RCs, UAVs – Collaborative Effects for Helicopters Sven-Michael Wundenberg , MBDA
	13:00 Protection and Rescue Equipment
40	Hörsaal 9.11 Requirements of Helicopter Seats in the Course of Time – The Focus on Safety, Erik Flögel , Autoflug
41	Electronic Warfare Suite – Maximum Protection for Platform and Person, Tobias Willuhn , Elbit
42	Human External Cargo (HEC) for KSK/SEK/GSG9, Enrico Ragoni , Air Work & Heliseilerei GmbH
43	Airbus Helicopters Military Support Center, Maximilian Masur
	13:00 Industry Pitches: Digital Flight Guidance, Avionics, Sensor Technology
44	Hörsaal 9.12 Airbus Helicopters Deutschland Alexander Reich
45	HHO Training at a New Level – HHO Crew Training in Network Simulation Jörg Redetzky , DRF Luftrettung und Martin Keil , CTO Reiser Simulation and Training GmbH
46	14:00 VIP Closing Keynote Inspekteur des Heeres, Generalleutnant Alfons Mais "VIDEO" 3GB groß
47	14:30 Conclusion and Farewell by the President (Save the Date Forum 2024)
